

The Housing Development Agency (HDA) is a National Public sector development agency that inter alia has the mandate to identify, acquire, prepare and develop suitable land for human settlements. The agency also undertakes the programme and project management for development of housing and human settlements. The HDA carries out its functions in partnership with a range of stakeholders including national, provincial and local government and municipalities, as well as with communities, developers and financiers. Established in 2009, the Agency was established by an Act of Parliament in 2008 and is accountable through its Board to the Minister of Human Settlements. For more information about the HDA, please visit our website: www.thehda.co.za.
