1. INTRODUCTION AND BACKGROUND

The Housing Development Agency (HDA) is a national public development agency which promotes sustainable communities by making well located and appropriately planned land available for the development of human settlements. As its primary activity, the HDA assembles state, private and communal land and releases it for development. In addition, HDA Act also enables the agency to provide Project Delivery Support Services to organs of state at local, provincial, and national levels.

In 2019, the HDA purchased a land parcel on behalf of the Western Cape provincial government, henceforth Portion 64 of Farm 787 (also known as Oasis Farm) registered under the names of the HDA with the title deed number T9525/2019. Oasis Farm currently has approximately 200 informal structures used primarily for residential and small-scale farming purposes. The HDA intends to fully package the land parcel towards human settlements development. As such, the HDA has provided a notice to all occupants of Oasis Farm, notifying them of the following:

- HDA is the new owner of Oasis Farm, effective from 11 March 2019
- Occupants are not allowed to erect, move, remove or extend any structures on the property without written permission of the HDA. All requests for permission are to be routed via the Oasis Farm committee who will submit the request to the HDA on behalf of occupants.
- No one can charge, collect, or pay occupational rent for any structure on the farm. Anyone forced to pay rentals is requested to report the matter to local police services.
- All structures will be marked, and occupants recorded. Occupants are required to provide the HDA with household information for socio-economic data and planning purposes.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
