1. INTRODUCTION

The Housing Development Agency (HDA) is a national public development agency established by an Act of Parliament (Act 23 of 2008). The HDA promotes sustainable integrated communities by making well-located land and buildings available for the development of housing and human settlements. As an organ of state, the HDA is accountable through its board to the Minister of Human Settlements. Visit www.thehda.co.za for more information.

As part of its legislative mandate, section 7 of the Housing Development Agency Act, (Act 23 of 2008) requires the Agency to, amongst others, undertake any processes relating to approvals required for housing development, prepare necessary documentation for consideration and approval by the relevant authorities, monitor progress of the development of immovable property acquired for the purposes of creating sustainable human settlements.

In Kwa-Zulu Natal, the HDA signed a Memorandum of Agreement with the Department of Human Settlements (KZN-DHS). One of the objectives in terms of the Operational Plan is to strengthen planning over the multi-year period for a more coordinated delivery and programme management. The multi-year planning approach further aims at ensuring that projects and programmes are aligned to national and provincial strategic objectives. Through the Multi-Year Human Settlements Development Plan (MYHSDP), the department will be provided with a supply chain of sequenced ready-to-implement projects and a basis for annual and mid-term budgetary allocations and expenditure, as well as sustainable delivery performance. To achieve this objective, the HDA intends to utilize services of relevantly qualified and experienced professional service providers to develop the MYHSDP that will be aligned with the new MTSF targets for 2019-2024.

2. BACKGROUND

The Multi-Year Human Settlements Development Plan (MYHSDP) is a spatial and fiscal planning document that is reviewed annually, it is aligned to the Medium-Term Strategic Framework 2019-2024 (MTSF). It forms part D of the Annual Performance Plan (APP) of the department and is a statutory requirement as set out in the Housing Act, 1997 (Act No 107 of 1997).

To guide provinces in the development of their MYHSDPs, the National Department of Human Settlements has developed and approved the framework for the development of the MYHSDPs for provinces. The development of the Kwa-Zulu Natal MYHSDP will be guided by the approved framework. A decision to develop the Provincial Human Settlements Development Plan was adopted at the KZN DHS Joint Strategic Planning workshop, that was held on 7 October 2019.

The Kwa-Zulu Natal Master Spatial Development Plan was completed and adopted. The plan has identified Key Focus Areas for prioritized investment based on housing needs and demands also the population and infrastructure capacity of those focus areas.

The plan provides for:

- Consistent interpretation and application of principles and objectives across various scales;
- Consistent interpretation and application of detailed project level evaluation criteria;
- Broad commitment to spatial transformation of human settlement patterns;
- Long term commitment (beyond a single election cycle) to investment targeting;
- Full integration and alignment with spatial planning initiatives at provincial and municipal level;
- Establishment of the required institutional capacity for implementing human settlement spatial master plan at municipal level, including detailed spatial planning; and
- Commitment and support for land acquisition and release function of the HDA.

The Master Spatial Plan further proposes a model for land identification and prioritization. It has provided a horizon for land needs in each of the identified Focus Areas to the year 2030.

The intended Priority Human Settlements and Housing Development Areas (PHSHDAs) also termed as a spatial targeting mechanism at "neighbourhood(s) scale" for achieving spatial transformation. Aims to facilitate a multi-programme integration of 'land redevelopment and/or adjustment's with particular focus on brownfields and infill projects while not excluding green-fields. The PHSHDAs premised on areas demonstrating a combination of:

- Areas with high growth and/or demand
- Areas with high economic opportunities and low supply of residential accommodation
- Opportunities for spatial transformation

The MTSF 2019-2024 APP target is that a total of **135 priority development areas** shall be completed and declared by the Minister of the Department of Human Settlements. **58** priority development areas have already been identified and gazetted during **May 2019**, for public comments. Initially **6** of **58** development areas were identified within KZN Province and an additional **16** development areas were identified and a total of **22** development areas shall form part of the proposed KZN MYHSDP.

The vision for **District Service Delivery Model** is to have the District/Metro spaces that offer the **appropriate scale** and arena for intergovernmental planning coordination. The creation of developmental spaces (IGR Impact Zones) from the 44 Districts plus 8 Metros can be the strategic alignment platforms for all three spheres of government where **One Plan** for each space guides and directs all strategic investments and projects for transparent accountability. The said one plan is an Inter and intra governmental and society wide **Social Compact**; AND will be strategic and Long-Term in nature, with medium term strategic plans and short-term operational plans all expressing the **commonly agreed diagnostics, strategies and actions**.

The District Service Delivery Model has been endorsed and approved by the Joint Cabinet Committee on 21 August 2019 and the pilot phase also endorsed for the OR Tambo District Municipality for rural areas and in KZN, eThekweni Metropolitan Municipality is to be piloted as one of the eight metropolitan municipalities for urban areas. Furthermore, 3 of the 6 gazetted PHSHDAs in KZN, forms part of eThekweni Metropolitan Municipality.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

1. This Standard Bidding Document (SBD) must form part of all bids¹ invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging)² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
3. Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
4. This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
5. In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and/or services for purchasers who wish to acquire goods and/or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

I, the undersigned, in submitting the accompanying bid:

(Bid Number and Description)

in response to the invitation for the bid made by:

(Name of Institution)

do hereby make the following statements that I certify to be true and complete in every respect:

6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium³ will not be construed as collusive bidding.

³ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
- (a) prices;
 - (b) geographical area where product or service will be rendered (market allocation);
 - (c) methods, factors or formulas used to calculate prices;
 - (d) the intention or decision to submit or not to submit, a bid;
 - (e) the submission of a bid which does not meet the specifications and conditions of the bid; or
 - (f) bidding with the intention not to win the bid.
8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.
9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.
10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No. 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No. 12 of 2004 or any other applicable legislation.
