REQUEST FOR PROPOSALS

**APPOINTMENT OF A PANEL OF SERVICE PROVIDERs TO PROVIDE ADVERTISING,
COMMUNICATION, MARKETING AND PUBLIC RELATIONS SERVICES TO THE HDA FOR
A PERIOD OF THIRTY-SIX (36) MONTHS (SUBJECT TO AN ANNUAL REVIEW)**

HDA/JHB/2020/021

PROPOSALS TO BE SUBMITTED BY

NOT LATER THAN 11:00

ON 29 MARCH 2021

1. INTRODUCTION

The Housing Development Agency (HDA) is a national public sector development agency that, *inter alia*, has the mandate to identify, acquire, hold, prepare and develop suitable land for human settlements. The agency also undertakes the programme and project management for development of housing and human settlements. The HDA carries out its functions in partnership with a range of stakeholders, including national, provincial and local government and municipalities, as well as with communities, developers and financiers. Established in 2009, the Agency was established by an Act of Parliament in 2008 and is accountable through its Board to the Minister of Human Settlements. For more information about the HDA, please visit our website: www.thehda.co.za.

The HDA has in the past years repositioned itself as a developer for government; packaging and delivering human settlements projects on behalf of both national, provincial and local government. Furthermore, the Agency seeks to rebuild its public image through the support of South African based public relations agencies to assist in implementing its Communication and Marketing Strategy and Plan for both external and internal stakeholders. Thus, the HDA seeks to appoint a panel of service providers for a period of thirty-six (36) months.

The agencies appointed as part of this panel must also be competent and reputable in providing professional writing, copyrighting, editing, proofreading, media relations, state of the art graphic design and printing services as well as events management. As an entity that services municipalities and provinces, the HDA operates nationally and has presence in eight provinces.

1.1 Vision

The public sector Developer of Choice providing integrated, sustainable human settlements and security of tenure.

1.2 Mission

Contribute towards:

- Accelerated delivery of spatially transformed integrated and sustainable human settlements.
- Providing security of tenure and asset wealth.
- Transforming the human settlements sector to be inclusive of the country's demographic profile with a special focus on the marginalized sectors of women, youth and persons with disabilities.

1.3. Challenges

1.3.1 The HDA remains a relatively 'new' brand and as such requires concerted above and below the line efforts to rapidly grow brand equity. This has started happening.

Lack of awareness about the HDA and its products and services by the general public.

1.3.2 The HDA needs to improve its visibility and accessibility to its stakeholders (spheres of government, public and beneficiary communities), in order to extend its brand positioning as the developer of choice.

1.3.3 The degree of change experienced by staff over the past three years – new structures, new business models, new organisational roles and new leadership – has affected staff drive. Internal communication will need to focus on ensuring that staff understand and embrace the changes, and are focused on contributing to the agency's overall success. Our values need to be communicated and entrenched in the hearts and minds of staff.

1.3.4 It is vital that the HDA is perceived by all staff, beneficiaries, the Department of Human Settlements, Water and Sanitation (DHSWS) and Parliament to be **delivering on its mandate**. It is also important that our provincial and local stakeholders, ie MTOP partners, **perceive us as delivering on the agreed business plans**.

1.3.5 Government Departments and agencies are facing drastic grant cuts forced by the dwindling national and international socio-economic conditions – this was further exacerbated by the advent of the Covid-19 pandemic. This puts government and entities into a space where more must be done with less.

It is within this context that the HDA seeks to appoint a reputable and capable agency that will assist it to remediate and mitigate the prevalent challenges, among others.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.

- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.

- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.

- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

I, the undersigned, in submitting the accompanying bid:

9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

³ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.
