### **1. INTRODUCTION**

The Housing Development Agency (HDA) is a national public development agency which promotes sustainable communities by making well located and appropriately planned land available for the development of human settlements. As its primary activity, the HDA assembles state, private and communal land for the development of sustainable human settlements. In addition HDA provides project delivery support services to organs of state at local, provincial and national level. Informal settlements upgrading and project management services are a particular focus of the organisation.

According to the Limpopo Multi Year Housing Development Plan, the Limpopo housing backlog was estimated to be about 155 375 units in 2011 (Census 2011, StatsSA). This figure was projected to increase by 2045 units to 157 420 by 2015.

The land needs to address housing demand in Limpopo province is estimated at 5246 hectares. As part of its mandate, the Limpopo Department of Cooperative Governance, Human Settlements and Traditional Affairs (CoGHSTA) supports Municipalities with acquisition of well-located land for human settlements development.

The acquisition of land is meant to address a broad range of housing needs. These include supporting individuals to obtain affordable housing, strengthening the supply of rental accommodation and upgrading of informal settlements to providing fully-subsidized housing units to low income households. The emphasis is also on addressing apartheid settlements patterns.

The Department has an existing Implementation Protocol with the HDA that was signed on 29 July 2010. **CERTIFICATE OF INDEPENDENT BID DETERMINATION**

- 1 This Standard Bidding Document (SBD) must form part of all bids<sup>1</sup> invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).<sup>2</sup> Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
  - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
  - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

<sup>1</sup> Includes price quotations, advertised competitive bids, limited bids and proposals.

<sup>2</sup> Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.
