## TERMS OF REFERENCE

Security Physical Surveillance in Western Cape Province

TENDER HDA/CPT/2020/001

### 1. INTRODUCTION

The Housing Development Agency (HDA) is a national public development agency which promotes sustainable communities by making well located and appropriately planned land available for the development of human settlement. As its primary activity, the HDA identify, acquire, hold, develop and release state, private and communal land and releases it for development. As part of its processes, the HDA develop property holding plans to identify and provide implementation schedules for services and maintenance of the properties on its assets portfolio to ensure their sustainability and security.

### 2. BACKGROUND

The HDA and the Western Cape Department of Human Settlements (WCDHS) have entered into the Service Level Agreement to facilitate acquisition and management of Western Cape Provincial Human Settlements Department property portfolio and further this agreement incorporated on the Medium-Term Operational Plan (MTO) signed between the two parties. Subsequent to this, the HDA has, within the framework of the MTO, acquired a number of properties within the jurisdiction of City of Cape Town (COCT) Metropolitan Municipality on behalf of the WCDHS for the purpose of human settlements developments. The properties were directly transferred into the names of the HDA. Most of the properties are vacant land parcels and some are occupied by informal settlements and leaseholds.

The COCT Metropolitan area has a number of informal settlements and recently been exposed to sprawling land invasions thus subjecting the HDA properties to imminent threat of unauthorised occupation and usage. As a mitigation measure, the HDA is intending to procure the appropriately qualified, competent, experienced and professionally registered security company, to provide the physical surveillance services on the properties to ensure a safe and secured environment including managing unauthorised use, entry, illegal dumping and invasions.

Properties are located in Philippi, Gugulethu and Milnerton areas within the jurisdiction of City of Cape Town Metropolitan municipality. The **Table 1** below and the maps on

**Annexure 2a-d** provides details on the properties, extent, locations and their current development characteristics.

- 1 This Standard Bidding Document (SBD) must form part of all bids<sup>1</sup> invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).<sup>2</sup> Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
  - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
  - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

<sup>1</sup> Includes price quotations, advertised competitive bids, limited bids and proposals.

<sup>2</sup> Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
