Free State Province

RFP/FS/2020/005

### 1. INTRODUCTION

The Housing Development Agency (HDA) is a national public development agency which promotes sustainable communities by making well located and appropriately planned land available for the development of human settlement. As its primary activity, the HDA identify, acquire, hold, develop and release state, private and communal land and releases it for development. As part of its processes, the HDA conducts property holding plans in order to identify and implement services and maintenance requirements to ensure the sustainability and security of its properties and of its various stakeholders.

### 2. BACKGROUND

The HDA and the Free State Department of Human Settlements (FSHS) have entered into the Service Level Agreement to facilitate acquisition and management of Free State Provincial Human Settlements Department (PHSD) property portfolio and further this agreement incorporated on the Medium-Term Operational Plan (MTOP) signed between the two parties.

Subsequent to above, the Housing Development Agency has, within the framework of the MTOP, acquired six (6) land parcels measuring 466.9144 hectares in Sasolburg within the jurisdiction of Metsimaholo Local Municipality for the purpose of human settlements developments. The properties were directly transferred to the Metsimaholo LM. Four (4) of the properties are vacant land portions and the others are improved with commercial and agricultural businesses. The Metsimaholo LM area has a number of informal settlements and recently been exposed to sprawling land invasions thus subjecting the six (6) acquired properties to an imminent threat of unauthorised occupation and usage.

As a proactive mitigation measure the HDA is planning to procure the appropriately qualified, competent, experienced and professionally registered security company, to provide the counter invasion services on these six (6) properties and ensure a safe and secured environment of the property including managing unauthorised use, illegal dumping and invasions.

## 2.1. Property Profile

The six (6) properties are located along the Minaar Street in Sasolburg, approximately 2km north of Sasolburg CBD and 1.2km from Vaalpark Township. The properties are boarded by both R59 and R57 regional roads within the Jurisdiction of Metsimaholo LM, Free State. The **Table 1** below and the map on **Annexure 2** provides details on the properties and their current status.
