1. INTRODUCTION

The Housing Development Agency (HDA) is a national public development agency which promotes sustainable communities by making well located and appropriately planned land available for the development of human settlement. As its primary activity, the HDA assembles state, private and communal land and releases it for development.

In addition HDA provides project delivery support services to organs of state at local, provincial and national level. Informal settlements upgrading and project management services are a particular focus of the organisation. Visit www.thehda.co.za for more information about the HDA.

2. BACKGROUND

The HDA Bloemfontein regional office has secured and moved to a new building. The new building requires branding. Certain pictures and items need to be mounted, others need to be redesigned and installed. The new building is located at 86 Kellner Street, Westdene, Bloemfontein. The office therefore requires the services of a suitably qualified service provider to assist with the branding through installation and printing of **Signage, Vinyl, Printed Pictures (already available)**.

A compulsory briefing session and site inspection will be held on **17th February 2020** at 86 Kellner Street at **11h00**, Westdene, Bloemfontein. No quotes will be accepted from service providers who did not attend the briefing session and site inspection.

TOTAL size of building space occupied by HDA is 485m².

4. PROJECT DEADLINE

The work to be carried out by the service provider must be completed within 30 days from date of appointment.

5. Evaluation

The evaluation process is based on:

□□The HDA needs to be satisfied, in all respects, that the organisation selected has the necessary resources, qualifications and abilities for this project, and that all submissions are regarded in a fair manner in terms of evaluation criteria and process.

Table 1-Functionality Criteria

The general methodology of selection will be that proposals will first be evaluated on their technical ability to perform the task. Any proposals scoring below 70% of the points noted in the table below will be disqualified for the second evaluation. The second evaluation of technically competent proposals will be evaluated against Price and B-BBEE using an 80/20 Price/B-BBEE formula.

The following criteria will be used for point's allocation for price and B-BBEE compliance on an 80/20 point system:-
