1. INTRODUCTION & BACKGROUND

The Housing Development Agency (HDA) is a national public development agency established by an Act of Parliament (Act 23 of 2008). The HDA promotes sustainable communities by making well-located land and buildings available for the development of housing and human settlements. As an organ of state, the HDA is accountable through its board to the Minister of Human Settlements. Visit www.thehda.co.za for more information.

- 1.1 Section 4 of SPLUMA identifies four components of spatial planning, i.e. the IDP, the SDF, Land Use Management Schemes, and Development Norms, Standards, and Principles. However, Section 35(1) of MSA acknowledges the IDP (SDF) as the chief strategic planning document.
- 1.2 The Municipal Systems Act, 2000 (Act 32 of 2000) requires that all Municipalities prepare and adopt a single inclusive Integrated Development Plan (IDP) that will guide the development of such municipality for 5 years. To ensure compliance the Dihlabeng Local Municipality's IDP
- 1.3 Section 26 (e) of the said Act further requires that a Municipality as part of its IDP, compile a SDF which must include and give direction to the provision to the basic guidelines for land use management within a municipal area.
- 1.4 This SDF must be reviewed in line with the newly developed SDF Guidelines by the Department of Rural Development and Land Reform (DRDLR).

AREA DESCRIPTION

Dihlabeng Local Municipality is an administrative area in the Thabo Mofutsanyane District of the Free State in South Africa. It was established in terms of Section 12 of the Local Government Structures Act, 117 of 1998. The Municipality is a category B as defined in the Local Government Structures Act and shares executive and legislative authority.

The Dihlabeng Local Municipality is situated within the boundaries of the Thabo Mofutsanyane District Municipality in the Eastern Free State. Its geographical area is 7550.4910 square kilometers. Bethlehem, Clarens, Fouriesburg, Paul Roux and Rosendal are the key towns for Dihlabeng Local Municipality. Bethlehem is situated approximately 240 km north-east of Bloemfontein, 140 km east of Kroonstad and 90 km west of Harrismith. The town is strategically situated in the heart of the picturesque north-eastern Free State and originally developed as a service center. Growth is stimulated by the strategic location of the area that serves as a central regional centre, situated adjacent to the N5 between Bloemfontein and Durban

The scenic town of Clarens, is situated ± 34 km south-east of Bethlehem. Clarens is a mere 20 km from the Golden Gate Highlands National Park. Fouriesburg is situated on the R26 route and in close proximity of Lesotho. The town has the predominant function of a small service center and is increasingly being supported by the tourism industry. 67% of the population resides in urban areas and 33% in surrounding rural areas.

Paul Roux is situated 35 km west of Bethlehem, on the N1. The area is mainly focused on agricultural significance. Rosendal is located at the foot of the Wittenberg mountain range on the R70. The town offers excellent property investment opportunities.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
