1. INTRODUCTION

The Housing Development Agency (*hereunder referred to as HDA*) is a national public development agency established by an Act of Parliament (Act 23 of 2008). The HDA promotes sustainable integrated communities by making well-located land and buildings available for the development of housing and human settlements. The HDA also provides project delivery services in the form of planning, capacity support and capability, and project management and works on projects in specific areas at the request of provinces and municipalities. As an organ of state, the HDA is accountable through its board to the Minister of Human Settlements. HDA has a “mandate to assist organs of State with the upgrading of informal settlements” (HDA Act No 23, 2008).

Housing Development Agency was appointed as the Implementing Agent by Northern Cape Department of Co-operative Government, Human Settlements and Traditional Affairs (*hereunder referred to as CoGHSTA- NC*), for the upgrading of Snake Park Informal Settlement. Sol Plaatje Municipality with assistance from HDA has completed the following:

2. BACKGROUND

Sol Plaatje Municipality is faced with challenges with regards to beneficiary administration. HDA is mindful of the fact that a community-based approach is one of the key success criteria for most community projects. Before implementing any human settlements project, communities that are affected by the project need to be consulted. Such consultation helps in ensuring that stakeholder engagement comprising a series of interactions are well planned and executed to systematically draw all affected stakeholders into working together.

In implementing the social facilitation programme, HDA has opted for an approach that is based on full community involvement and participation. This community-based approach endeavours to encourage community participation, thus ensuring that community members can not only influence activities that will affect them, but also build their capacity and contribute to their empowerment. Consequently, this will go a long way in ensuring sustainability of the project as well as encouraging responsibility and project ownership.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
